A B.A. +45 column has been added to the salary schedule with the same percentage factors as the M.A. column, same number of stems as the M.A. column and same dollar amount as the M.A. column. The B.A. +45 column is for the teachers who have reached the B.A. +27 column and can advance no further on the salary schedule until they are awarded their Master's Degree. Credit may be received for declared courses. (Declared courses are described in the salary schedule regulations contained in Appendix B.) Courses on the declared course list taken any time after reaching the B.A. +27 column will be recommended to the Board from the "undeclared course list". Declared courses taken after placement on the B.A. +27 column prior to the date of this agreement qualify for advancement. **THE B.A. +45 COLUMN WILL BE DROPPED AFTER THE EXPIRATION OF THE 1999-2000 AGREEMENT. THOSE STAFF MEMBERS WHO WILL BE IN THIS COLUMN WILL BE GRANDFATHERED AT THEIR CURRENT STEP.**
