

Policy Subject Asthma and Allergic Reaction Protocol	Location Code 508.12	Adoption Date 08/10/04
	Rescinds/Amends	Adopted

The district will adopt and implement the Emergency Response to Life-Threatening Asthma or Systemic Allergic Reaction (Anaphylaxis) Protocol as required by the Nebraska Department of Education.

The superintendent, in conjunction with licensed health personnel, shall establish administrative regulations for the implementation of this policy during regular hours while school classes are in session. The regulations established shall comply with NDE rules regarding the protocol to follow in case of a life-threatening asthma or systemic allergic reaction and use of an EpiPen and albuterol. Also, these shall ensure that each school building will procure and maintain the equipment and medication necessary under the protocol in the case of any student or school staff emergency. Staff training in using the protocol shall occur periodically. Records of such training and occurrences of administering medication under the protocol shall be maintained.
