

<b>Policy Subject</b>  Emergency Protocol	<b>Location Code</b>  508.13	<b>Adoption Date</b>  08/10/04
	<b>Rescinds/Amends</b>	<b>Adopted</b>

The Board recognizes that emergencies may arise that justify the use of emergency response to life threatening asthma and systematic allergic reactions (“anaphylaxis”). To this end the Board adopts the Emergency Response to Life Threatening Asthma or Systemic Allergic Reactions Protocol (“Emergency Protocol”) as required by state regulation and directs the administration to establish rules and procedures to implement the protocol.
